Foundation Blocks

At CGB we inspire and prepare our learners for an evolving world. Eight essential, and equally important, Foundation Blocks support the day-to-day life of our school and foster intellectually prepared students who discover and embrace the ideals of global citizenship. Through empathy, and progressive teaching and learning we empower everyone to act on their beliefs, thereby cultivating independent thinkers who are able to meet the demands of the twenty-first century.

Our Four Houses

Every student and their families are assigned to a "HOUSE" and stay in that house for the entire stay at CGB. Students are awarded "House Points" for positive reasons such as academic achievement, effort, improvement, kindness, etc. House shirts are required for each student to have, and to be worn during house matches.

CGB is a "No Bully Zone"

CGB is a safe space where everyone is made to feel welcome, is treated with respect, and is accepted for who they are. Students, parents and staff share the same values of inclusion, respect and acceptance that CGB lives by and work hard to keep CGB a no bully zone. A robust anti-bullying policy is followed by the school community.
